

Component

The diagram consists of two large gray rectangular areas. The left area contains a dashed white rectangle with the word 'Component' inside. The right area contains a solid green rectangle with the word 'Component' inside. A white double-headed arrow connects the right side of the dashed rectangle to the left side of the green rectangle. Below each gray area is a white label: 'Native App' on the left and 'React-Native' on the right.

**Native App**

Component

**React-Native**
