

The diagram consists of two large, dark gray rectangular areas side-by-side. The left area is labeled 'Native App' at the bottom, and the right area is labeled 'React-Native' at the bottom. In the upper portion of the 'Native App' area, there is a white dashed rectangular box containing the word 'Component'. In the upper portion of the 'React-Native' area, there is a solid teal rectangular box containing the word 'Component'. A white double-headed arrow points from the 'Component' box in the 'Native App' area to the 'Component' box in the 'React-Native' area.
